PREVIOUSLY IN MEGA MAN X...

Sigma, the former Maverick Hunter Commander, betrayed his former allies, becoming a **Maverick** himself – a Reploid who rebels against humanity. As Sigma gathered other Reploids and mechaniloids to his cause, only the **Maverick Hunters** could stand against him.

The Idealistic Maverick Hunter, **X**, was assigned to track down Sigma's newest lieutenant – the sadistic **Vile**. But X found himself fighting above his weight class, and was nearly destroyed by Vile.

Luckily, the new Maverick Hunter Commander, **Zero**, arrived just in time to rescue X... though Vile was able to escape in the stolen **Death Rogumer** airship.

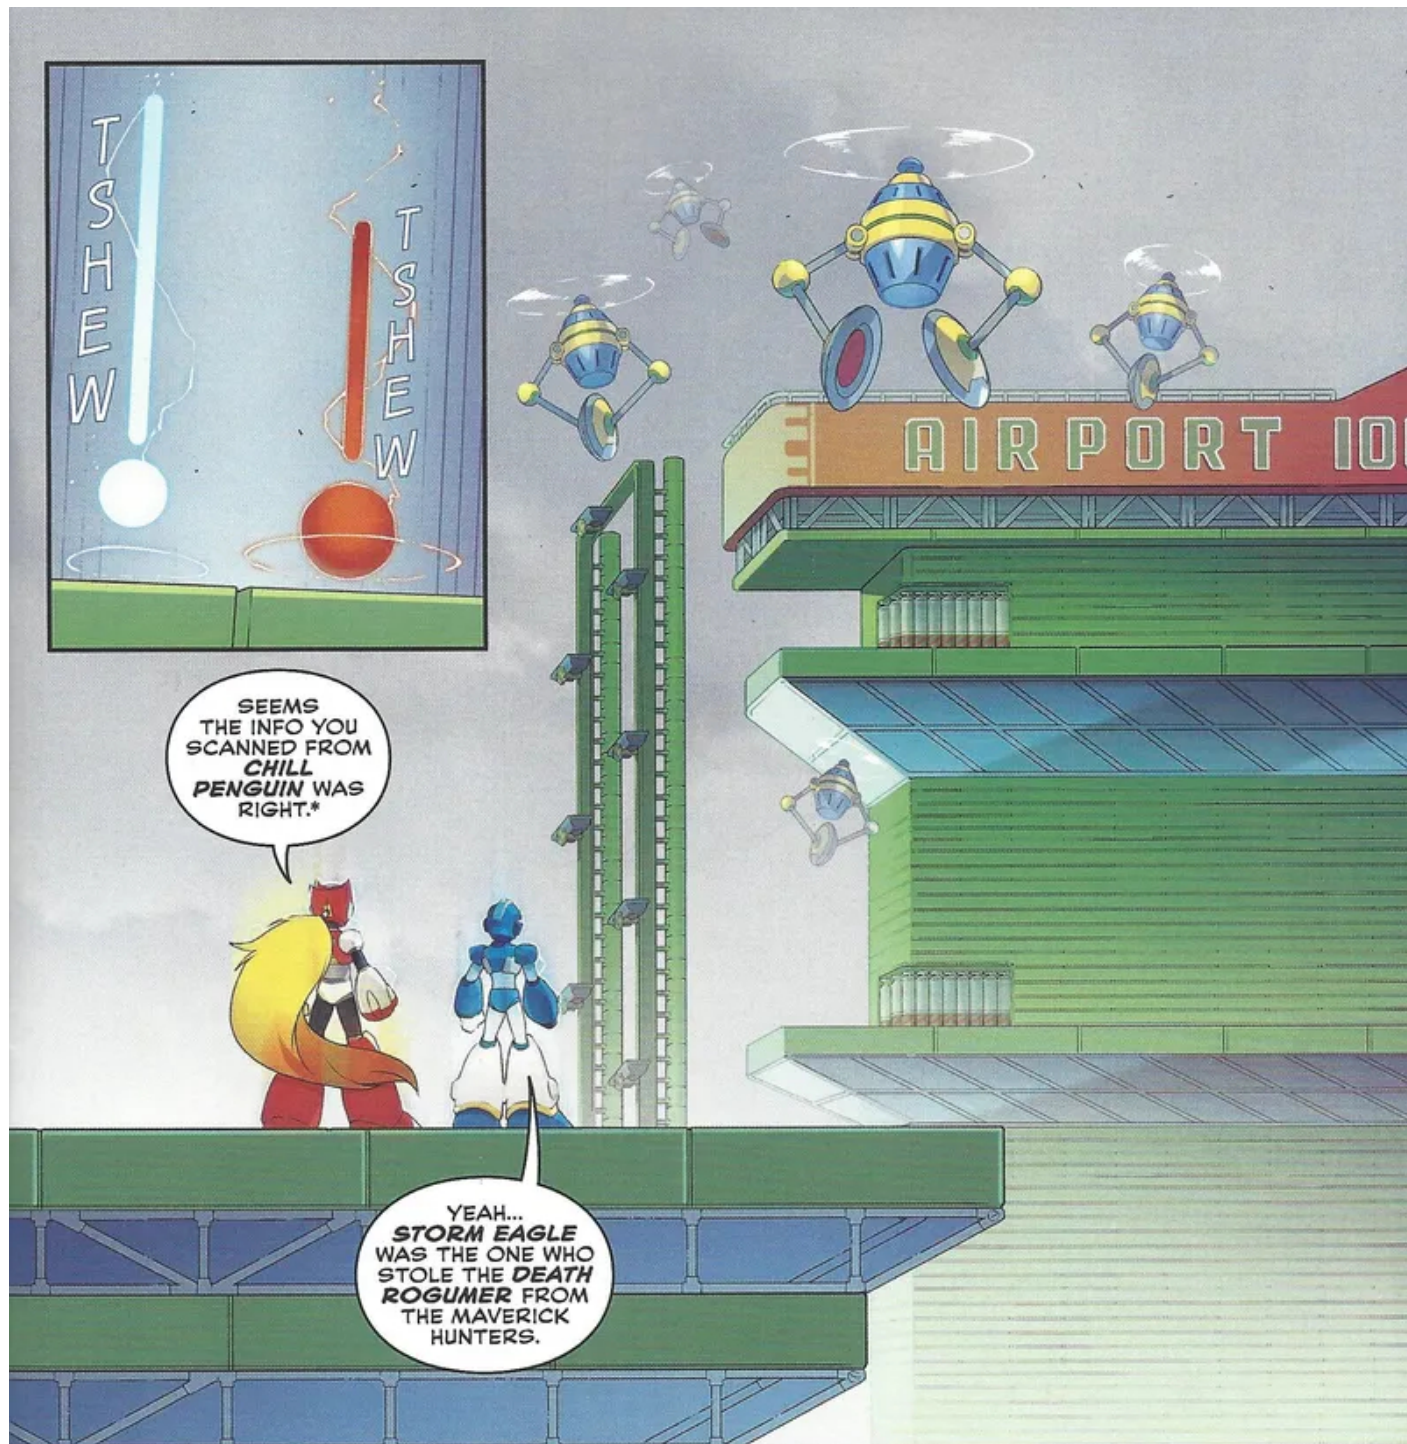

After losing contact with the Maverick Hunter base in the North Mountains, X and Zero were sent to investigate. They find the base empty and icy.

X discovered an ancient message from his creator, **Dr. Thomas Light**, and learned why he was created... to be the champion that will unite humans and robots. X also received his first armor upgrade – the **Dash Boots**.

X was able to defeat the culprit behind the base's attack – former Maverick Hunter **Chill Penguin**. He also learns of another potential traitor – **Storm Eagle**.

WHAT ARE YOU TALKING ABOUT!?

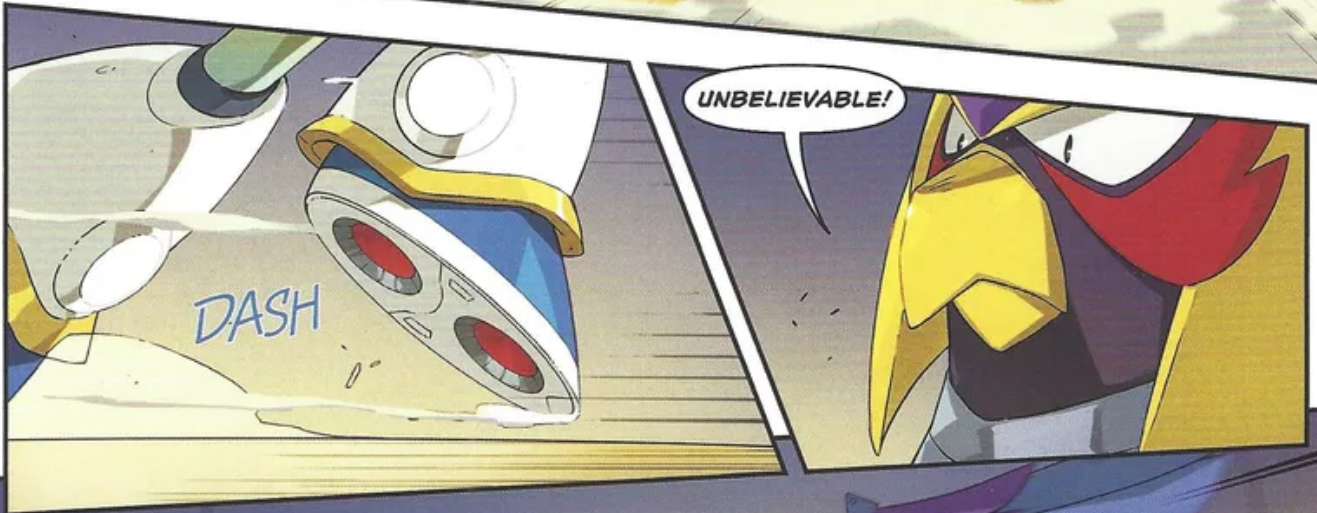

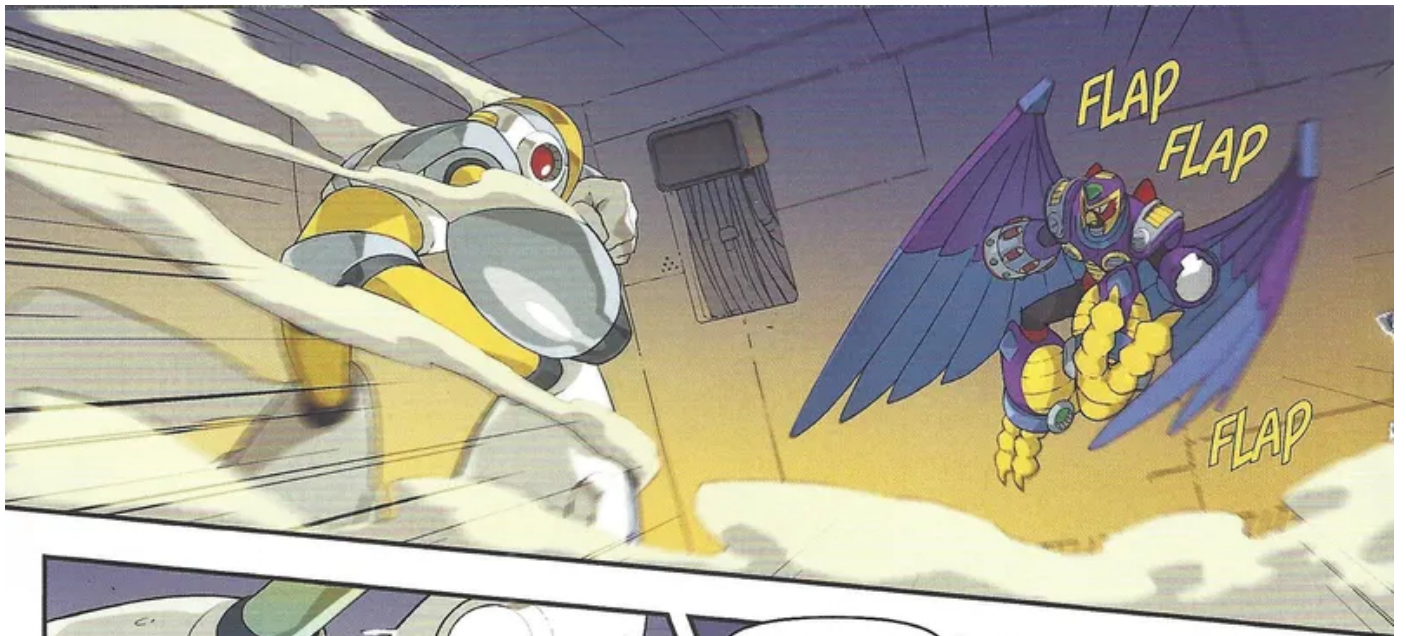

WHY HAVE YOU BETRAYED THE MAVERICK HUNTERS!?

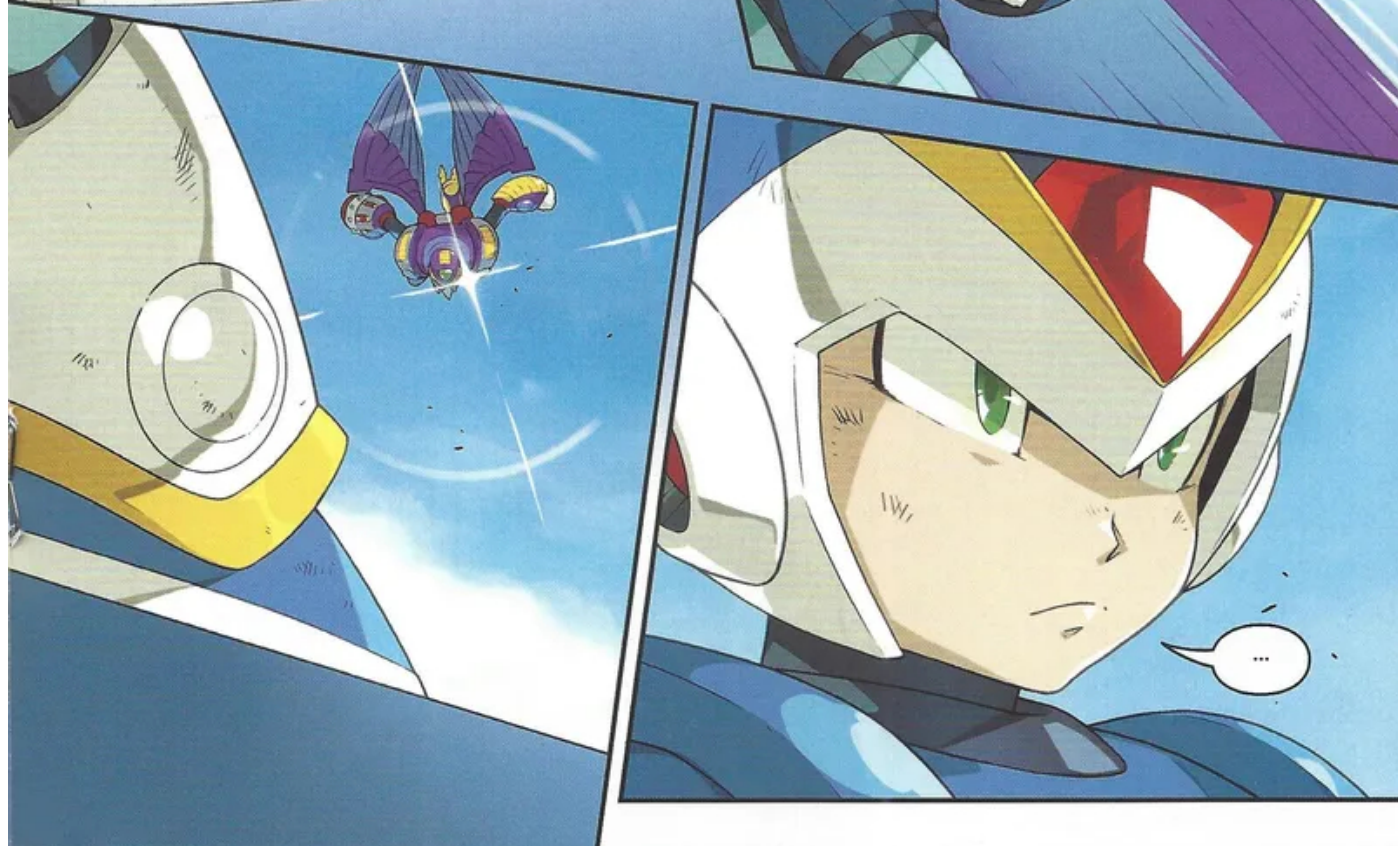

CALL IT HONOR, CALL IT PRIDE...

I FOUGHT SIGMA... HE DEFEATED ME AND I SWORE LOYALTY TO HIM.

AT LEAST I GET TO FACE YOU, X... HE SEEMS TO FEAR *YOU* THE MOST.
